

Rests

What are Rest's? Rest are rhythm symbols that represent silence (quiet) and how long it should last.

<u>Looks Like...</u>	<u>Name..</u>	<u>How Long?</u>	<u>"Nick name"/Length.</u>
1 →	4 beats →	Whole rest →	rest - rest - rest - rest
2 →	2 beats →	Half rest →	rest - rest
3 →	1 beat →	Quarter rest →	rest

Did you know? Add a dot to the rest and it increases the length of the musical silence (quiet) by half of it's value.
